CPSIA Notice

July 1, 2011

The Consumer Product Safety Improvement Act of 2008 (CPSIA) limits the amount of six “phthalates” (DEHP, DBP, BBP, DINP, DIDP and DnOP) in children's toys and child care articles, and limits the amount of “lead” in any accessible part of children's products

We are a manufacturer of Nylene© polymer resins and does not manufacture children toys, child care articles, or children’s products.

We do not manufacture resins with, or add any of these listed substances to its products. Based on the information available to us, the raw materials that we use to manufacture our resins are not known to contain any of these substances.

We do not run analysis of our raw materials or final products to measure these substances.

For further information, please contact our Customer Service Department at 973-694-4141.
